

Academy Prep Center of Tampa has, through the generosity and vision of its Board of Trustees, begun an endowment fund to benefit the longevity of the programs and services offered by the school. This money is secured and stewarded for the perpetual benefit of Academy Prep Center of Tampa.

### **Unrestricted**

There could be no stronger display of your commitment to Academy Prep Center of Tampa than with a gift of unrestricted endowment. Supporting unrestricted endowment acknowledges that every segment of Academy Prep must be nurtured so the entire program will continue for future generations of students. Unrestricted endowment is the greatest resource we can possess to adapt to the unforeseen changes of the future.

### **Designated Funds**

A gift to endowment may be made to one or more of the following designated funds. Money directed to these funds will be used only for its stated purposes. Currently, there are three designated funds: the Scholarship Fund, Graduate Support Fund, and Centers of Excellence Fund.

### **Recognition Opportunities**

Recognition is associated with restricted gifts of endowed funds or term funds. These gifts may be made in someone's honor or memory. A minimum gift of \$50,000 is required to name a new designated endowment fund.

### **Endowment Management**

The Finance Committee of the Board of Trustees monitors endowment funds of Academy Prep Center of Tampa. The overall investment objective is to maximize the return on invested assets while minimizing risk and expenses. This is done through prudent investing and planning, as well as through the maintenance of a diversified portfolio. These funds are placed with and managed by both the Academy Prep Foundation and the Community Foundation of Tampa Bay. These foundations are responsible for the selection of their individual money managers.
